CELEBRATIONS

Join with everyone for defining moments of vibrant worship, engaging teaching and personal encounters with God that will inspire, encourage and empower.

FORUMS & SEMINARS

We have gathered together an outstanding line-up of speakers for our summit forums. They bring experience from the front line of effective mission and creative leadership into our Vision 20/20 journey. Along with a great range of seminars, these sessions are designed to speak into the One Mission One Movement conversation, and give an opportunity for us to hear from leaders

with different perspectives on the challenges and opportunities we face in pursuing the radical and changing mission of the church in a rapidly changing culture and world.

BUSINESS SESSIONS

We will be opening up the second two days of business to all Summit delegates who wish to attend as observers as we consider the challenge and opportunities of our Movement wide goals and priorities for Vision 20/20.

ONE IN PRAYER: MORNING SESSIONS

What a great opportunity as the Elim family to be in one place and to be one in prayer together. These morning sessions are time set aside to seek God, dwell in his presence, wait on him, intercede and make the most of this time to pray together. Let's believe for God to move, transform, speak and act as we come together in prayer.

You can transform your community.
Your project can impact people.
Your idea can make a real difference.

But times are tough. Fundraising is difficult. There are crucial decisions to be made each day. It is hard to see your dreams become reality when you don't have the resource, support and expertise. Without progress you can find yourself going around in circles as your passion is worn down.

We know how you feel. We can help.

Call 01274 680588 or email info@futurekraft.org

We provide development and fundraising for small and medium sized churches that want to achieve sustainability and growth.

OFFERING

ELIM GLOBAL

This year we are only taking one offering at the Summit. This will be dedicated to the work of Elim Global. Elim is a global movement and at the ELS we will all have the chance to speak to the overseas leaders that will be here from over 40 nations, many for the very first time! But the work needs to carry on into new nations, establishing new churches where there are none and supporting these leaders with their church planting strategies and projects. Elim UK can continue to make a hugely significant impact into the world by bringing an offering to the Lord. Let this year exceed all our hopes and expectations and let us marvel at what Elim UK can give and do!

We will be taking the offering on Wednesday evening, which will be going to the work of Elim Global. Cheques should be made payable to Elim International Centre.

Gift Aid declarations for larger donations by cheque given by UK tax payers are available from the Simply Finance exhibition stand.

FORUMS

DARE TO HOPE?

Tuesday 11:00am Auditorium

We arrive at a conference with a mix of expectancy and familiarity. We've heard much of it before, and we've been "on the edge of the breakthrough" too many times... so what will it take?

LEON EVANS

Leon is the Lead Pastor of Life Central Church (Halesowen) and as a 'local lad' has a passion for not only the local church but also for the region and beyond. The Church is now 'multi site' meeting in 3 locations with a newly refurbished building and extensive community work impacting hundreds of people every week. Leon founded the youth charity Phase Trust and also has a passion for leadership development locally and overseas. Married to Allison they have 2 sons; love films, good food, live music and Aston Villa (somebody has to!)

SEX, THE GOSPEL AND THE REVOLUTION: HOW CAN WE TELL A BETTER STORY?

Tuesday 2:15pm Auditorium

The sex revolution, rooted in a powerful cultural narrative of authenticity and freedom, has brought about far-reaching changes in attitudes to sex, marriage and gender. In this challenging context, how can Christians who hold to biblical teaching begin to craft a narrative that wins hearts as well as minds?

GLYNN HARRISON

Glynn Harrison was formerly Professor and Head of Department of Psychiatry, University of Bristol, where he was also a practicing Consultant Psychiatrist. He now speaks widely on issues at the interface between Christian faith and psychology, pastoral ministry and psychiatry. He and his wife Louise are members of Emmanuel Church, a plant from Christ Church, Clifton. His new book 'A Better Story: God, sex and human flourishing' is published by IVP.

ORDINARY PEOPLE, ORDINARY CHURCHES - THE HOPE OF THE WORLD?

Wednesday 9:15am Auditorium

In a broken and fractured world, the challenge for us ordinary people in local church is to be Christ's ambassadors and ministers of reconciliation. We are invited to participate in God's re-making of our world. What does this mean for our relationships, communities, wider world and culture?

KIERA PHYO

Kiera has recently started working for Archbishop Justin Welby in his Reconciliation Ministry; where she is Director of the Reconciling Leaders Network and is developing a global movement of peacemakers. Previously she worked at Tearfund for over a decade, pioneering a lifestyle response to global poverty and leading their engagement with an emerging generation. She regularly broadcasts on BBC Radio 2 as a Pause for Thought contributor. She is a trustee of The Cinnamon Network and Fusion. Kiera lives in London with her young family.

THE NEED TO LEAD IN PUBLIC LIFE

DAVE LANDRUM

Dr. David Landrum is the Director of Advocacy at the Evangelical Alliance UK. His work involves public policy, theology, research and media. He is a frequent contributor on Christian and secular media on a range of social and political issues. FORUMS

DUST IT OFF

Wednesday 4:30pm Auditorium

As leaders, we all have to learn to master the ability to move on well from the inevitable “dust” of disappointment of leading in church and ministry, failures and successes and what people think and say. Through 35 years of leadership experience, John will share how everyone can learn to do this well. Invaluable insight for all leaders in whatever capacity they serve.

JOHN KIRKBY

John Kirkby began CAP in 1996 with only £10 and a passion to see the poor set free. Together with CEO Matt Barlow, he has led the charity and seen it grow to transform over 21,500 lives every year. With 25 years of leadership experience including planting and team-leading the Light Church, John was named Sunday Times Best Leader, alongside Matt. His heart is to inspire others to unlock their own potential by looking honestly at the challenges faced in leadership.

THE JOURNEY AHEAD

Thursday 9:15am Auditorium

There is a journey ahead for you, but that journey will require new strategies, new methods and new mindsets. We cannot fight tomorrow’s battles with yesterday’s thinking. Are you prepared to embrace the change needed in order to step in to the journey ahead?

BOYD RATNARAJA

Boyd moved to New Zealand from Sri Lanka with his family when he was 16 years old. Boyd has been on staff at Elim Christian Centre for the past sixteen years. In 2009, he and his wife became Lead Pastors of the South campus. Since that time the church has grown to be the second largest in Elim New Zealand. Boyd has served on the National Leadership team of Elim NZ since 2011 and was elected as National Leader in October 2017. He is married to Sharon and they have a son.

DEAR 26 YEAR OLD ME

He rapidly grew it into a multi-award winning charity with strong links with governments and police forces, with a mission to bring an end to modern slavery by rescuing victims, restoring lives and reforming society. His team now includes former senior investigators and detectives, a former member of the UK National Police Chiefs Council, lawyers, social workers, and communications and policy experts.

WAKE UP THE WORLD

TO EXTREME PERSECUTION

**"I thought we were
alone and forgotten"**

Karunia*, Indonesia (pictured)

Karunia* is one of many Christians in Aceh, Indonesia, whose churches have been demolished or burnt down by people opposed to their faith in Jesus. But this is not why she is crying.

When she was told that her photo would be shared with Christians around the world who would pray for and support her, she wept with joy, saying: "I thought we were alone and forgotten. No news ever mentions us anymore."

* Name changed for security reasons.

Every year, Open Doors produces the *World Watch List*, a unique, in-depth and authoritative guide to the 50 countries where the persecution of Christians is most severe.

Wake up your church to the extreme persecution facing our persecuted family with the new *World Watch List Church Pack*. Contains service guide, map, film and resources for youth and children.

To receive your FREE copy of the *World Watch List Church Pack*, come and see us on the Open Doors stand, go to www.opendoorsuk.org or phone 01993 460015.

UNDERSTANDING GDPR AND HOW IT AFFECTS YOUR CHURCH

Wednesday 2:15pm
Harewood Suite

The General Data Protection Regulation (GDPR) is the biggest change to Data Protection for years and is coming into force on the 25th May. MAKING THE MOST OF PRAYER

Wednesday 3:30pm

The Disciples asked Jesus, 'Teach us how to pray'. It was one of the only things they asked to be taught. So often we talk about a 'prayer life' but what would a life of prayer look like, inspired by the life and teaching of Jesus? How can we, with the Spirit's help, grow and persevere in prayer? How do we best connect with the Father and engage in life transforming prayer? Let's explore these questions together and make the most of prayer.

The Millennial Generation faces unprecedented challenges in a rapidly changing spiritual, moral and ethical landscape. While many Millennials seem to be leaving churches, there is a rising tide of young people who are believing God for a fresh outpouring of his Spirit and grace for this generation.

We believe God is raising up young leaders to speak into this generation with courage and creativity, faith and fervour. The Young Leaders Track seeks to gather, inspire, equip and envision those with a heart to make a difference in their generation.

The sessions will involve a rich mix of worship, prayer, powerful teaching, group discussion, and ministry.

As ONE movement we are many generations. Children are the church of both today and tomorrow. We believe God is stirring something new and children are part of His plan. To enable this, we are passionate to raise-up our children's workers across the country.

Our children's ministry leaders play a crucial role in facilitating the spiritual development of our children, reaching into communities and encouraging each child to discover their God-given potential. The children's workers stream is a fantastic opportunity to connect, equip, encourage and inspire those with a heart to see God move amongst our children.

The sessions will be fun, interactive and engaging - including an exciting mix of practical tools, fresh perspectives, and inspirational teaching.

THE DISCIPLESHIP JOURNEY

Tuesday 2:15pm Queens Suite 1

God has called us to make disciples. If our ministry is the only spiritual input for a child, how can we help them journey from unsaved to fully established disciples. Be inspired by stories of children being discipled and discipling their friends. Reflect on the process of discipleship and how the structure of our ministries serves this.
