FESTIVAL

AGAINST FL THE OW

WELCOME TO LIMITLESS FESTIVAL

Have you ever felt like you're different? Do you stand out from among your friends? Do you stand up for something unique? Do you believe different things? Have a different perspective? Hold to different values? Do you *think* different, *act* different and *live* different because your faith in Jesus compels you to *be* different?

If you ever feel like you're different to everyone you know, then you know what it means to live life *Against the Flow*.

But here's the uncomfortable truth: *Against the Flow* is not the easy way to go! It's way easier to believe what everyone else believes, think like everyone else thinks, and do what everyone else does. Yes, it's easier to fit in... but *you were born to stand out!*

So if *Against the Flow* is the only way to go, then how do we stand firm when it would be easier to fall down? How do we stand out when it would be easier to blend in? In the face of a cultural torrent of conflicting views, how do we hold on and stay strong?

Because make no mistake, we have a better story! So how do we speak out *Against the Flow*? How do we envision the majority to join with the minority? How can we be people-influencers and culture changers from the margins of society? What does it look like to be a generation who live life *Against the Flow*?

These are the questions we'll be exploring together at Limitless Festival 2018... and it's going to be incredible!

What could God do? The possibilities are *limitless*...

Tim Alford
Limitless National Director

A vibrant collage of students performing music, featuring the text "THE UPSISING" and the "Elim" logo. The collage includes a student playing guitar, a student singing into a microphone, a student with a guitar, a student with a microphone, a student with a microphone, and a student with a microphone. The background is a mix of blue and purple hues with a grid pattern. The text "THE UPSISING" is written in a large, stylized font across the center. The "Elim" logo is in the bottom right corner.
