

ONLINE

Hello and welcome to Limitless Oxygen!

Here at Limitless we LOVE children's and youth ministry leaders. We are so grateful for how you give the best of yourselves to pass on the gospel to the next generation. You are heroes!

And that's why we're hosting LIMITLESS OXYGEN ONLINE - a free event designed for the whole youth and children's team.

We have some world class speakers coming to invest in us, with a bespoke team for those of you who work primarily with children, and another whose focus is on youth ministry. Our hope is that you are able to gather with the whole of your youth or children's team to discuss the implications of the teaching upon your ministries together... in an appropriate socially-distanced way of course!

We pray that your time today will breathe fresh life into your youth and children's ministries as you seek to navigate this new world.

With much love,

Tim Alford
National Director of LIMITLESS
