FRIDAY 6TH AUGUST

Welcome

GATHER

After so long being apart, the start of Limitless Festival 2021 is designed to help youth groups reconnect. Let's remember what it's like to look one another in the eye and laugh together; to stand shoulder to shoulder and worship together.

11:00AM - MAIN SESSION 1

Join together in the room with your youth group, and with thousands of others online, as we worship together and think about what it means to be a vibrant community of faith. We explore the metaphors the New Testament uses for the church; family, temple, army, bride and body.

12:30PM - TIME TO GATHER

This is the space for you to hang out locally as a group to grow together and have fun together. We've produced a whole bunch of fun ideas for how you can spend this time [here](#), and you can build your own bespoke teaching and discussion group programme by accessing the Limitless TV sessions we've put together for you [here](#).

PRAY

The coronavirus pandemic may have prevented us from meeting, but it does not prevent the kingdom of God from advancing! That's why we're calling young people all of the UK to seek God for him to move in our towns and cities.

07:45PM - PRE-SHOW

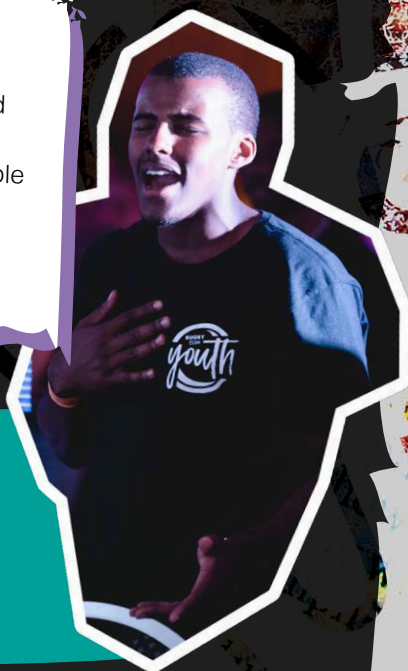

Join us online for fun, chat, games, challenges, laughs, and general tomfoolery.

8:00PM - MAIN SESSION 2

Join together in the room with your youth group, and with thousands of others online, as we worship together and think about what it means to be a people of prayer. How can we seek God for a move of his Spirit in our schools and communities? What will it take to see a new spiritual awakening in our land?

10:00PM - LATE NIGHT PRAYER

Following our main session on prayer, this is an opportunity to gather with others around the nation to seek God together.

SATURDAY 7TH AUGUST

9:00AM - TIME TO PRAY

This is your space to get together locally as a group to pray together. It's a great time to get outside and walk through your community, praying for God to move in your locality. We've produced a whole bunch of creative ideas for how you can pray together during this time [here](#).

GO

Now that we have gathered together and prayed together, it's time to **GO** together! So let's take the scary step of getting out of the building and into the community.

10:45AM - PRE-SHOW

Join us online for fun, chat, games, challenges, laughs, and general tomfoolery.

11:00AM - MAIN SESSION 3

Join together in the room with your youth group, and with thousands of others online, as we worship together and think about what it means to be a people of mission. How do we reach our friends and communities with the good news of Jesus? How can we demonstrate the love of God in words and action?
