APPLICATION FORM

In order to secure your place on team for Limitless Festival, it is a requirement for all of the team to fill in an **application form** via our website at www.limitlesslim.co.uk/festivalteam.

As part of the application form you will need a reference from a senior leader at your church, and must have known them for a minimum of 6 months. Please avoid using a relation. If you have any issues in regard to the reference, please contact Limitless.

You will also need to know whether you have an up to date DBS certificate, and input that information into the application form.

CLOSING DATE

The closing date for applications is 30th June. This is to make sure we allow time for any DBS checks, references and other information to be processed. If you miss this date, applications will only be considered on an individual basis.

COSTS & EXTRAS

There is **no cost** to be on team for Limitless Festival. Access to the event, camping and three meals a day are all included if you **choose to serve on Team**.

ACCOMODATION AND TRAVEL

All team members are required to camp on Stafford showground in a dedicated area for volunteers. If your church or youth group is attending, you will be able to camp with them. Make sure they give you their group code, and forward it to Limitless.

Travel to and from the event will be **your** responsibility. Please note that you will be required to arrive before and leave after youth groups attending. Therefore please refrain where possible from travelling with them to and from the event as you will be needed for training and packdown.

EXTRA INFORMATION

CODE OF CONDUCT

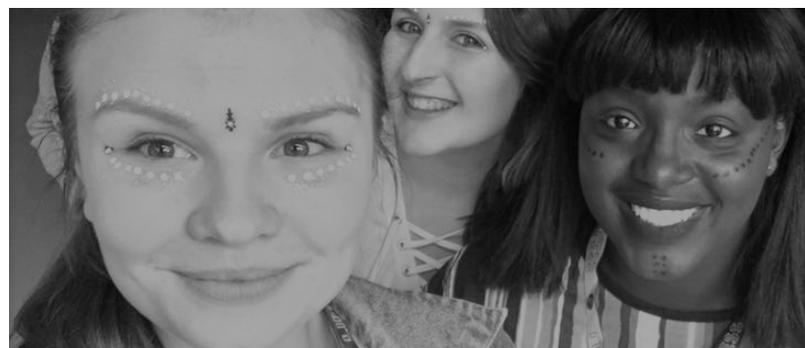

We do have a Limitless Festival volunteer code of conduct. Before applying, please make sure you read this through, as its important for you to understand all of the rules and requirements that we ask of you whilst serving at Limitless Festival. You must be able to commit to the code of conduct which you will be asked to sign during training on the first day of Limitless Festival,

TEAM LEADERS

Each team will have it's own Team Leader who will be responsible for the running of your Team. It will be your Team Leader that will run you through any training on your first day, as well as provide rota's so you will know when you will be serving across each day. They will be your first call if you experience any problems and will be helping to look after you throughout the week.

MEETINGS AND ACTIVITIES

You will be able to attend any meetings or activities over the week providing they do not clash with your required serving hours. If there is something you specifically want to be at, it will be up to the discretion of your team leader to help you find cover or swap your shift. Most teams serve for around 8 hours per day. This may be in one block or spilt across the day. Where possible, we will aim to get you to at least one main meeting a day.

F A Q'S

Who can be my referee?

We ask that the senior leader of your church is your referee. If they are a relation, please chose another senior leader. You must have known them for at least 6 months. Please also let them know that you have put their name down! If you have any problems finding a referee then please email us:
team@limitlesselim.co.uk

Why haven't I heard back about my application?

Once you've submitted your application we send a request to your referee. They receive a link in an email and this leads to an online form. Once this has been filled in, we send your reference and application to the team leader to read through and approve. When this process is done we then apply for DBS checks. These can take a while. If this comes back clear, then and only then, can we accept you to serve on team. Please bear with us. As you can see, there's a lot more going on than filling in a form and all of this takes time to process. We will be in touch at various points asking for more information. We will let you know the outcome of your application as soon as possible.

Can we apply to serve on Team as a group?

You can express an interest to serve with your friends. However, everyone needs to apply individually. We advise you apply as early as possible. Please put the names of the people you want to serve on team with in the comments section of the application form. Whilst we will try our best to accommodate this, we cannot promise that we will be able too. If you want to volunteer to pull a whole team together (i.e. a cafe team) then please email team@limitlesselim.co.uk or call 01684 588 943.

Will I get to be on my first choice of team?

We aim to put you on your first choice of team. However, this is not always possible. We will never put you on a team that you've not requested to be on without contacting you first.
