COLIN BENNETT

"I have been a Life Coach (Tutor) at Moorlands College for almost 30 years. Before that I was freelance Management and Training consultant. While informal in style I relish helping people achieve their own specific objectives. Especially when these are God given. I have been helped so much by my wife family and friends as they helped me to be the Man of God I am today. Be blessed by Jesus my friend."

FREE PARKING on Standish Street (PR7 3AH). Please park considerately.
