# Masters Degrees

*"Growth comes in the stretch, and that's certainly been true for me as I have studied for a postgraduate Master's degree at Regents. It's not just what I have learned theologically, but what I have learned about my capacity to keep growing.*

*I am so glad I took this step; I have loved engaging with the lectures, the assignments, and a whole new group of friends in my fellow students."*

## WELCOME TO ELIM LEADERS SUMMIT 2019

I am delighted to welcome you to the Leaders Summit 2019. We gather under the theme of "One Movement, One Mission". Our focus is on Christ and His Kingdom plans for us in all of our rich and amazing diversity. A gathering like this is so significant. We come together not simply for another event but to align our hearts, our ministries and the churches and resources for which we are responsible for even greater effectiveness in mission and ministry. I pray that over these days you will enjoy great fellowship, experience the power and presence of the Holy Spirit and renew your commitment to serve God's purposes with creative and courageous faith in the season ahead.

General Superintendent

# WHAT'S ON

**WE'RE DELIGHTED THAT YOU'RE JOINING US IN HARROGATE AT THE ELIM LEADERS SUMMIT 2019. WE LOOK FORWARD TO A GREAT THREE DAYS AS WE SPEND TIME TOGETHER IN THE COMPANY OF FRIENDS AND IN THE PRESENCE OF OUR GOD.**

Our programme consists of main sessions, seminars and business sessions. New for this year, we also have ten exhibitors' seminars that will be located in Hall Q. All of our sessions excluding the exhibitors seminars will be available as free MP3 downloads. (See page 9 for more information.)

## ELS MAIN SESSIONS

Join with everyone for defining moments of vibrant worship, engaging teaching and personal encounters with God that will inspire, encourage and empower.

## BUSINESS SESSIONS

We will be opening up the second two days of business to all Summit delegates who wish to attend, as observers, as we consider the challenge and opportunities of our Movement-wide goals and priorities for Vision 20/20.

## SEMINAR PROGRAMME

We have gathered together an outstanding line-up of speakers for our Summit seminars. They bring experience from the front line of effective mission and creative leadership into our Vision 20/20 journey. Along with a great range of seminars, these sessions are designed to speak into the "One Movement, One Mission" conversation, and give an opportunity for us to hear from leaders with different perspectives on the challenges and opportunities we face in pursuing the radical and changing mission of the church in a rapidly changing culture and world.

# OFFERING

The Apostle Paul writes to the Philippians that their “partnership in the gospel” which includes their generosity in giving has served to “advance the gospel.”

This year we are looking to raise a significant “seed offering” to break new ground in mission and outreach throughout the nation. Every pound given will go into grass roots, local church growth and pioneering projects in every Elim Region. It will give us the opportunity to sow into creative and courageous local initiatives which can really make a difference.

Please pray about making a contribution to Elim Advance projects which can provide a fresh injection of seed finance to unlock our communities for Christ.

The offering will be taken on Wednesday evening. Cheques should be made payable to Elim International Centre. Gift Aid declarations for larger donations by cheque given by UK tax payers are available from the Elim Finance team in the exhibition area.

**Tuesday 14th May**  
**11.00 – 12.30pm**

### PHIL HILLS

The exodus and conquest of Canaan tell a story of abject failure in the most promising possible circumstances. Paul tells us the details are deliberately recorded to ensure we don't make the same mistakes.

Phil Hills has spent over 30 years in pastoral ministry leading churches throughout the UK. He is a gifted communicator and leader whose input is in high demand both nationally and globally. Phil is also Chief Executive of Teen Challenge UK and Vice President of Global Teen Challenge.

## BACK TO BETHLEHEM

**Tuesday 14th May**  
**2.00 – 3.00pm**

### HAYLEY BARRETT

In the Old Testament, Moab was a place just outside of the Promised Land. How many of us feel like that is where we end up? Close to, but just outside of all that God has for us? In this session, we will look at Naomi and Ruth and how we can get back to Bethlehem.

Hayley Barrett is the Teaching Pastor at Elim Christian Centre Manurewa in Auckland New Zealand where she serves under Pastor Boyd and Sharon Ratnaraja. She is also a key lecturer at Elim Leadership College. Hayley is a passionate communicator with a strong desire to lead people into the presence of God.

## ONE MOVEMENT, ONE MISSION, ONE GENERATION

**Tuesday 14th May**  
**7.30 – 9.30pm**

Chris Cartwright is the General Superintendent of the Elim Pentecostal Church, a growing Movement of more than 550 Christian congregations in the UK and Ireland. The son of Elim pastor Des Cartwright, Chris was ordained in 1993 and ministered for over twenty five years in two city churches. # MAIN SESSIONS | AUDITORIUM

## TO LIVE IS CHRIST

**Wednesday 15th May**  
**11.30 – 12.30pm**

### GRACE

Grace grew up in North Korea and spent time in a prison camp for her faith in Jesus Christ. In North Korea, following Jesus demands a high price. According to the World Watch List, it's the most dangerous place in the world to be a Christian right now. Despite the cost and despite the suffering, God is at work in and through his people in amazing ways. Grace will be sharing her story of costly faith which will inspire us to remember that all we really need to live is Christ.

## GIVE ME 5

**Wednesday 15th May**  
**7.30 – 9.30pm**

### DAN LIAN

Environment matters. The sower sows, the seed is miraculous, the only variable is the environment. Let's explore what kinds of environments cultivate the miraculous.

Dan Lian has over 20 years of ministry experience travelling the world preaching the Gospel and teaching the Bible. He is a sought after church and conference speaker who is known for his passion, humour and insight. He now serves as a Teaching Pastor at NewSpring Church in South Carolina where he and his family enjoy a slower pace and a growing appetite for fried food and college football.

## BUILDING A PRAYER CULTURE IN LOCAL CHURCH

**Thursday 16th May**  
**9.15-10.45am**

**JAMES ALADIRAN**

As leaders we know the importance of effective and strategic prayer in advancing the purposes of God on earth. However, it is true that prayer meetings are often the least attended church activities. In this session, we will be exploring some of the key principles necessary in shifting our churches from just having a prayer meeting to having a prayer culture.

James Aladiran, founder and director of Prayer Storm, is an instrumental figure in the UK for catalysing the Church into deeper levels of intercession. Along with his wife, Rebecca, James and the team have been involved in mobilising strategic prayer for over 10 years. With a heart to see an awakening of prayer in the body of Christ, James and the team travel regularly to resource churches with teaching and practical training.

## SPIRIT-LED. SERVANT-MINDED. SHEPHERD-HEARTED.

**Thursday 16th May**  
**11.30 – 12.30pm**

**DAN LIAN**

Our definitions will determine our destinations. It is critical in a Christian world obsessed with the word leadership that we allow the Spirit and Word of God to define that for us. Jesus stands as the clearest and purest example of leadership. May this be a challenge and encouragement to all who aspire to lead in His footsteps.

The Millennial Generation faces unprecedented challenges in a rapidly changing spiritual, moral and ethical landscape. We see growing evidence of a rising tide of young people who are believing God for a fresh outpouring of his Spirit and grace for this generation.

The Young Leaders Track arises out of our belief that God is raising up young leaders to speak into this generation with courage and creativity, faith and fervour. It seeks to gather, inspire, equip and envision those with a heart to make a difference in their generation.

The sessions will involve a rich mix of worship, prayer, powerful teaching, group discussion and ministry.

As One Movement we are generations. Children are the Church of both today and tomorrow. We believe God is stirring a renewing and children are part of his plan. To enable this, we are passionate about raising up our children's workers across the country.

Our children's ministry leaders play a crucial role in facilitating the spiritual development of our children, reaching into communities and encouraging each child to discover their God-given potential.

This is the second year we are running the children's workers stream. It is a fantastic opportunity to connect, equip, encourage and inspire those with a heart to see God move amongst our children. The sessions will be fun, interactive and engaging – including a mix of practical tools, fresh perspectives and inspirational teaching.
