HELLO AND WELCOME TO  
**LIMITLESS**  
**FESTIVAL**

I AM SO PLEASED YOU'RE HERE!

We are set for an **incredible week together**, there's just so much going on. We have a roller rink, a giant inflatable jump bag, a foam party, colour party, and fancy dress party (we like parties). We have after hours venues, afternoon craft activities, and a brilliant sports programme. There's a host of workshops, a variety of seminars, some fantastic speakers, and loads more besides. So make sure you take a good read of the programme, you don't want to miss out!

But all of this amazing stuff is secondary to the reason we're really here... to meet with Jesus in a powerful and transformative way. I believe that this week we are set for some moments that will impact the rest of our lives.

So let me encourage you, come with an open mind, a tender heart, and a willingness to engage. Do not wait until night five before going for it, let's go in with everything we've got from the moment the first song plays.

That's how we do it here, because Limitless Festival is not something you attend, it's something you participate in. Together we are Limitless!

So whether you're here for the first time or the tenth time, please know you are very much part of the family. Let's see something happen together this week that we will never forget.

What could God do?

**THE POSSIBILITIES ARE LIMITLESS...**

With much love,

**Tim Alford**

National Director of Limitless

# TRASH TALK

Jesus was tired and desperately hungry. There in the wilderness he was at his weakest and most vulnerable. And that's when the enemy attacked.

For forty days he got at him, attacking from every angle, adopting

every strategy he could to divert Jesus off course and finish his ministry before it began. He went after his most natural, human desires. He set out to lure him away with the promise of influence and authority. He even went so low as

to challenge his very identity. But Jesus had a secret weapon... **"IT IS WRITTEN"**.

Jesus struck back against the lies of the enemy with the truth of God's Word. It was Holy Trash Talk!

That's our example. Truth for lies. And it raises a challenging question: Have we filled our minds with enough "it is written"

statements that we're prepared to combat the lies we face every day? When the world lies to us about what is important, do we have a response from God's Word? When the world says we need to be thin to be lovable, or have a certain amount of money to be respectable, do we know what to say? **Are we prepared to kick the devil down with some Holy Trash Talk!?**

# TRASH TALK:

## #1 - "TRASH TALK"

TIM ALFORD

If the Son of God felt it was necessary to respond to Satan's specific lies with specific truths, what does that say about us? If anyone could have overcome through sheer willpower, it was Jesus. If anyone could have reached down into his own reservoir of personal strength and experienced victory, it was Jesus. If anyone could have engaged Satan in a battle of wits and logic, He could. But instead, He reached for truth. And truth was enough.

When we address the things that challenge our character with "it is written...", we wield a sword against which nothing can stand. When we quote God's Word as it applies to our daily situations, we aren't just speaking on our own, we are a spokesperson of the Kingdom of God! We're backed by the full power and authority of the Creator of the universe, the Author of life himself. When God speaks, every other voice in the universe is rendered speechless. And that's Holy Trash Talk.

## #2 - "NOT ASHAMED"

MARK RITCHIE

When you're the only person in your class room who follows Jesus, how do you feel? When you're friends are calling your faith ridiculous, antiquated, irrelevant and out-dated, how do you respond? Do you give in and keel-over? Or do you respond with some Holy Trash Talk!?

"I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes"  
- Romans 1:16

### #3 - "GREATER THINGS" SHAUN HORNSBY

Jesus once made a crazy statement that seems so ridiculous it surely cannot be true...

"Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father. And I will do whatever you ask in my name, so that the Father may be glorified in the Son. You may ask me for anything in my name, and I will do it." - John 14:12-14

Hang on there Jesus, greater things that you? Well that can't be right! You restored the sight on the blind. You enabled the lame person to walk. You even raised the dead! What could possibly be "greater"?

But we've misunderstood what Jesus was saying because we ignored the "because." Why could we do greater things? "Because" Jesus is going to the Father. And what happened when Jesus went to the Father? We received the Holy Spirit! So Jesus is not saying that we as individuals can do greater things than raising the dead, but rather, we as a community can do greater things than he did as an individual because we ALL can have the Holy Spirit.

So when we feel purposeless and powerless it's time for some Holy Trash Talk... The same power that raised Jesus from the dead is living in me!

### #4 - "WONDERFULLY MADE" RACHEL GARDNER

What do you do when you look in the mirror and hate what you see? How do you respond when you feel too fat, too thin, too spotty, too ugly? What happens in your heart when you scroll through your Insta feed and it feels like everyone is more popular, more attractive, more fun and more successful than you?

Do you hide yourself, harm yourself or hate yourself? Or do you talk trash!?

The Psalmist says... "For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.- Psalm 139:13-14

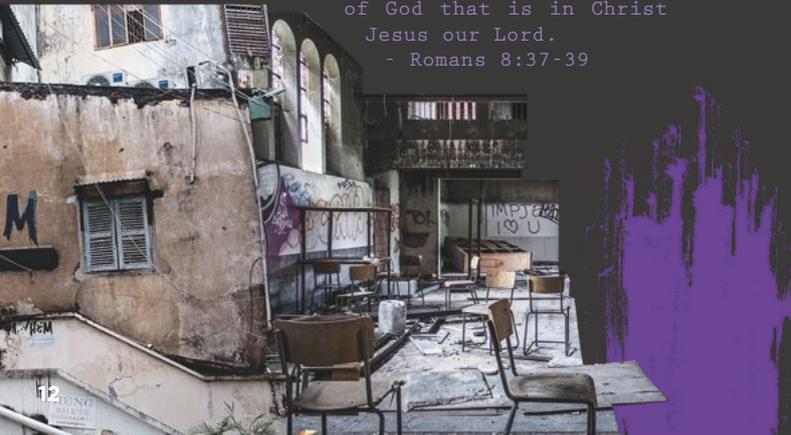

Combat lies with truth! Because who God says we are is always more true than how we feel in any given moment. It's Holy Trash Talk!

## #5 - "MORE THAN CONQUERORS" JAMES ALADIRAN

Sometimes we feel on top of the mountain, but often we feel like the mountain is on top of us! In those moments where it feels like everything is against us, how do we keep going? When our families are falling apart, the bullying won't stop, that friendship has broken down and the exam results are not what we needed, how do we respond? With some Holy Trash Talk of course!

No, in all these things we are more than conquerors through him who loved us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.

- Romans 8:37-39

# YOUNG ADULTS

**Jesus was tired and desperately hungry.** It was dry and hot in the wilderness, he was at his weakest and most vulnerable and that's when the enemy attacked.

For forty days he attacked from every angle, he hit hard and fast, manipulating and taunting - setting out to lead Jesus away from his destiny with the promise of prestige and authority. But Jesus had a secret weapon. **It is written!** Jesus hit back against the lies of the enemy with the truth of God's Word - **it was holy trash-talk.**

## **THIS IS OUR EXAMPLE.**

**TRUTH** FOR *LIES*  
**FAITH** FOR *DOUBT'S*  
**PURPOSE** FOR *PROCRASTINATION*

I need to ask you... have you ever filled your minds with enough *'it-is-written-truth'* to fight the lies you will face every day? Do we have the courage, audacity, confidence and tenacity to hit back, hit hard and hit true?!

**STREAMS**

EVERY DAY AT 11:15AM

## DEEPER

// YOUTH VENUE

### #1 WHO is the Holy Spirit?

Quite simply, who is this Holy Spirit that we hear so much about in church? How do we best connect with Him and how can we be using the power He gives us in our own, day to day, lives?

### #2 WHAT are the Spiritual gifts?

Spiritual gifts are kind of a big deal, and the best thing is, we ALL have access to them. We will together explore what the Spiritual gifts are and give space to allow the Holy Spirit to give us these gifts!

### #3 HOW to use Spiritual gifts

So, we all now know what the Spiritual gifts are, but the next (and most logical) question is – how do I use them? This session will explore this and give us some space to practice them together (in a safe way of course!).

### #4 WHEN to pray for others

Did you know that when you pray, things happen? In this final session, we will look at how to pray for people when guided by the Holy Spirit. When do I know when to lay my hands on someone in prayer?

## EXPLORERS // FESTIVAL CINEMA

Looking to explore faith and find the answers to those big questions? The **explorers** stream is for you.

### #1 Think about it....

We live in a busy world with loads of distractions, but do we ever really think about the bigger questions? Why are we here? Is there more to life than what we see? Is spirituality really a thing and what's it about? You know, we're going to chat about the small stuff

creation is moving towards its central reason for existence but you have a part to play in that now. If this God exists and He is a God who cares, what should our response to Him be? And what is our role in the world now? Could you take a step towards playing your part in our bigger story.

### #2 God is ...

If there really is a God why does it matter and what is He like? Does He listen and is He involved? If He is a God of love then why is there pain? Join us to think through who this God might be, because who you believe this God is affects everything else. This is going to be super good. Come.

### #3 This is your purpose

Whether you realise it or not, you are a part of a bigger story and have a role to play, all of

### #4 Nothing holding me back

What are the big questions that can stand between us and God as we head back into our home environments? And what are some of the things that we can put in place in order to ensure that we carry on our journey with God when we get home? How do we get over some of the barriers that have been holding us back and start to make sure that there's lasting change in our lives as we head home?

# BITESIZE

# SITE RULES

1. After arrival/unpacking, all vehicles must be moved to the designated car parks to comply with fire and safety regulations.
2. Tents and caravans can only be moved to a different village with permission from the welcome team so that we know where to find you in the case of an emergency.
3. Event wristbands must be worn (around your wrist!) at all times and they are the only way to get access into the venues. There is no charge to replace a broken wristband but a £40 charge to replace a lost one – head to the welcome desk for assistance.
4. Parents/carers are responsible for their children at all times when they are not in supervised children's/youth work.
5. Alcohol is not permitted on site
6. Strictly no drugs, intoxicating agents (such as 'legal highs') or drug paraphernalia is allowed on site, except when medically prescribed. Anyone found in possession of drugs or suspected to be under the influence of drugs will be evicted from the site and be denied further entry to the event. Any such incidents will be reported to and dealt with by our event management team and the police.
7. Smoking is not allowed inside any of the buildings, marquees or individual tents and caravans. There is a smoking area outside of the social area at the Severn Hall.
8. No speeding. When you arrive and leave the showground please keep to the 5mph limit. We know it's incredibly painful but it's important to keep everyone safe. Think of it as a God-given opportunity to practice your patience. No driving lessons are allowed either.
9. We're sorry we can't allow any pets on the showground except guide dogs. If you have a guide dog please introduce them to us in Info on arrival.
10. Generators cannot be used on site. If you need a power supply, please speak to the welcome team. Electrical hook-ups can be provided in certain conditions and for a fee.
11. We do not favour sectarian propaganda or proselytising within the Christian fellowship. This means any individual or group that uses Limitless Festival and its facilities for such purposes does so against the spirit of the event. Limitless reserves the right to cancel any such person's or group's booking and escort them off the site at once. If you think someone is trying to force their views on you and others, please let us know immediately by coming to the welcome desk so we can deal with the situation.
12. Promotion of organisations or activities that do not form part of the Limitless Festival event programme, including the distribution of literature, is only permitted by authorised exhibitors within the Exhibition area.
13. Please respect other people's privacy by not taking photos or videos during ministry times. Our media team will follow the same rules; other photos and footage they take may be used in Limitless communications. Drones are not to be used on site, except by our team.
14. Please take care of the showground and its facilities. Please don't enter any areas that are marked out of bounds by red tape.
15. Open fires, fireworks and Chinese lanterns are not allowed.
16. The campsite needs to be quiet by midnight so we don't upset the neighbours and any curfew village should be peaceful by 10pm to let everyone get a good night's sleep.
17. Please put all the rubbish in the big skip outside the Severn Hall.
