WELCOME

Our story is one of awakenings. The global Pentecostal movement began over a century ago, in real places, among real people, as the Holy Spirit broke in and upon them. At its height, the first Elim awakening saw multi-thousands come to faith in Christ and many were healed in cities like Plymouth, Leeds, Glasgow, Cardiff, Swansea, and Birmingham.

We believe that we are witnessing the beginning of a fresh season of the Holy Spirit's awakening across the nation and nations. God is awakening His people once again to the urgency of the times, to the promise of the harvest and the fresh enabling of His Holy Spirit.

So, we gather, humbly in fresh dependence, hungry and expectant for a move of the Spirit in this generation and open-hearted, believing that this is a time to advance in fresh faith and to respond to the Holy Spirit's awakening. We are committed to respond to the Spirit's call.

Our prayer is that at Summit, we will all experience a personal awakening and be empowered and equipped to move with Him into courageous, compassionate, and creative outreach to everyone, everywhere.

We're delighted that you're joining us in Harrogate at the Elim Leaders' Summit 2024. We look forward to a great three days as we spend time together in the company of friends and the presence of our God.

MAIN SESSIONS

Our main sessions are a Summit highlight as we gather in an atmosphere of faith and thanksgiving. With vibrant worship, engaging teaching and personal encounters, we are expectant for moments of awakening, transformation and response that will encourage and empower.

BUSINESS SESSIONS

This year, the business sessions will be in Studio 1 on Tuesday and Wednesday afternoons and will only be open to ministers, lay representatives and designated observers.

SEMINAR SESSIONS

We have gathered an outstanding line-up of speakers who bring experience from the front line of effective mission and creative leadership into our mission journey. These sessions are designed to allow us to hear from leaders with different perspectives on the challenges and opportunities we face in pursuing the radical and changing mission of the church in a rapidly changing culture and world.

^{*}Please note that the opinions of the speakers do not necessarily represent the opinions of the organisation.

PROGRAMME

LEADERSHIP TRACKS

This year we have four parallel leadership tracks built around Elim's Advance vision and our four priorities. We're excited about the opportunity they give to unpack key aspects of what it means for us to be a people and movement awake to the presence and purpose of God in this critical season and advancing in mission over the next decade

Once again, we have a rich mix of gifted Elim leaders and guest speakers, to challenge, inspire and stretch us. If you are here with your team, why not spread out across the tracks and share back home?

CONNECTION TIME

As we gather at the Harrogate Convention Centre, we know you'll want to reconnect with friends as well as have the opportunity to network with new ones. To help facilitate this, the days start at 9.00am with long breaks to provide more time to connect each day.

There will be one and a half hours to connect with friends on Tuesday morning. Pick up your event pass from registration at 9.00 am and head to Exhibition Hall Q to grab a coffee and meet with other delegates. Our mid-morning breaks on Wednesday and Thursday have been extended to an hour to allow a more meaningful time to connect. You'll also have time to meet up over the lunch and dinner breaks, as well as after-hours.

Faith Pictures is designed to give Christians the confidence to speak about their own story of faith and communicate God's love through it.

The resource sessions explore:

- Opening the Conversation
- The Power of the Ordinary
- Traveller's Tales
- Talking Pictures
- Companions on the Journey
- Hidden Opportunities

All the surveys reveal that the majority of Christians come to faith in childhood or their teens. That consistent but startling fact compels us to invest time, energy, and resources into reaching and raising children to know and live for Christ in this generational moment.

We believe it's time to put children's ministry right at the heart and centre of Elim.

Elim National Children's Ministry Fund will enable us to take up the challenge and opportunity of reaching and raising a generation of children to live for Christ. This offering will be a catalyst to advance children's ministry across our movement. It will enable us to further develop the great work our Limitless Kids team have been doing and launch creative initiatives to train and equip children's workers, support children's ministry in our churches and pioneer in churches which don't currently have children's ministry.

Will you join us in giving to this significant mission field?

Together, let's pray for a move of the Holy Spirit to give us all fresh vision, heart, and faith for this great task that every child should have an opportunity to know and receive Jesus as their Lord and Saviour and to follow Him all the days of their lives.

The offering will be taken on Wednesday morning. Cheques should be made payable to Elim International Centre. Gift Aid declarations for larger donations by cheque given by UK taxpayers are available from the Elim finance team in the exhibition area.

You can give any time throughout the Summit using the Enthuse online platform, including a Gift Aid option for UK taxpayers.
