Welcome to Elim Leaders’ Summit 2025  
Equip the Saints

We want to extend a very special welcome to you as we gather for these special few days. I really appreciate the sacrifices you have made to be here and pray that this time will prove to be highly significant in your life and the life of this movement. I believe God is shaping and preparing us for a future filled with adventure and fruitfulness and I see these few days together as being an important step towards this. We also extend a big welcome to all our international partners from Elim Global and consider it such a privilege to host you from around the nations.

You carry a unique ministry gift or grace — these are divine gifts bestowed on you, not for personal glory, but for the edification of the church and the revelation of Christ to the world. When you and I understand, celebrate, affirm, and learn how to collaborate with these diverse gifts, something extraordinary happens: we move towards “the unity in our faith and the knowledge of God’s Son that we will be mature in the Lord, measuring up to the full and complete standard of Christ.”

## 4 WHAT'S ON WELCOME

Over these few days together we are going to explore how your distinct calling interweaves with our wider movement – and how this creates a tapestry far more beautiful than any single thread can produce alone. We'll dive into how apostolic vision, prophetic insight, evangelistic passion, pastoral care, and teaching wisdom—should function together so we can reveal the multifaceted nature of Jesus Himself.

Our programme will offer space for honest reflection, collaborative dialogue, and practical application. Through keynote sessions, seminars, stories and intentional fellowship, we will explore how we can honour the grace at work in each of our lives

and consider how essential each of us are if Elim is to fulfil the divine purposes of God.

So, as we gather, I pray we will be filled with insight and revelation, honour the Lord and one another and be both inspired and inspiring to others. May ELS2025 be empowering, life-giving and releasing for each of us I pray.

## SHORT-TERM MISSION TRIPS WITH ELIM MISSIONS

"I had never been on a missions trip before and honestly, as the date drew closer I was secretly regretting signing up. But going to Estonia changed everything. I had such an incredible time. Serving with our team alongside the Estonian church and working at the Village of Hope was both humbling and life-giving. I made some new incredible friends, was impacted more than I expected, and now I can't wait to take a team from my church this September!"

We're delighted that you're joining us in Harrogate at the Elim Leaders' Summit 2025. We look forward to a great three days as we spend time together in the company of friends and the presence of our God.

## **EQUIPPED TOGETHER** **(MORNING SESSIONS)**

Each morning, we will gather in spaces designed to spark meaningful conversations around APEST and the journey we're on together. These sessions will be a dynamic mix of worship and devotional time, interactive breakouts that dive into each grace/gift, and creative spaces to process the questions stirring in us. Our goal isn't just personal discovery - it's about understanding and affirming one another more deeply so that, together, we can equip and release the Church into the fullness of who she is called to be.

## **ENCOUNTER TOGETHER** **(EVENING SESSIONS)**

Join us as we create space for God to powerfully minister into each of our lives. These will be special evenings of Spirit-led worship, and ministry – and our prayer is that God will divinely presence and reveal Himself afresh in each of our lives.

## **SEMINAR SESSIONS**

We have gathered an outstanding line-up of speakers who bring experience from the front line of effective mission and creative leadership, into our mission journey. These sessions are designed to allow us to hear from leaders with different perspectives on the challenges and opportunities we face in pursuing the radical and changing mission of the Church in a rapidly changing culture and world.

## **BUSINESS SESSIONS**

This year, the business sessions will be in Studio 1 on Tuesday, Wednesday and Thursday afternoons and will only be open to ministers, lay representatives and designated observers.

## **PRAYER SPACE**

12 WHAT'S ON  
OFFERING

ELIM GLOBAL

The offering at ELS this year will be dedicated to the work of Elim Global.

Elim Global is a network of Pentecostal church denominations, movements and ministries that make disciples, plant and grow churches, train leaders and reach nations. Simply put, Elim Global is a relational network of all the Elim partners around the world.

We're privileged to be joined by many Elim Global leaders at ELS this year, after they have attended the Elim Global Conference in London. Through these leaders and many others around the world, Elim is involved in Gospel work in over 40 nations. No one denomination, movement or ministry has it all. We need each other for the sharing of stories, experiences, and discipleship models of which there are many. Our future is better together doing exactly just this.

## ELIM BIBLE COLLEGE

LONDON, S.W.4

Dean : J. Thirlwall Bradley

Clapham

# Regents celebrates 100 years of training people for ministry and mission.

Elim pioneers George Jeffreys and E J Phillips knew the fledgling church movement needed a Bible College in which young men and women could be trained and prepared for entrance into the Elim ministry.

Capel

Nantwich

## Released to serve

Over the last 100 years the College has consistently released people ready to serve and build the Kingdom of God.

Through theological training, prayer, and a strong Christian community where 'iron sharpens iron', Regents (formerly known as Elim Bible College) has developed and released leaders into all areas of the Elim movement and across the wider community, as witnesses for Christ.

# Today

Regents today is a leading Pentecostal theological college in Europe, offering:

- ▶ **Undergraduate & Postgraduate Degrees** in Applied Theology
- ▶ **Ministry Foundation Certificate** pathways to becoming an ordained Elim minister
- ▶ **PhD supervision**
- ▶ **The Institute for Pentecostal Theology** housing the Elim and Newfrontiers church archives, and private collections gifted by the Donald Gee Centre, Tony Cauchi and Desmond Cartwright.
- ▶ **Regents London** in partnership with Kensington Temple
- ▶ **Regents LIFE** online courses

When George Jeffreys cast his vision for the Elim Bible College he talked of a *‘place where men and women could be trained theologically and experientially.’*

One hundred years later the demands are more complex than ever, but the underlying desire of developing people in their relationship with Christ so they can be effective witnesses remains the same; people who will shape society wherever they might be called.

As Regents looks forward, the College will continue to develop theological training to serve the Elim movement and the global Christian family in the UK and overseas. This includes a new Church Ministry Programme for church volunteers, members and leaders, and further bespoke training for those in ministry and leadership.

## How to build a thriving children's ministry

### Queen's Suite 1

If you're reading this, the chances are high that you first gave your life to Jesus as a child. Studies tell us that that 83% of adults who are Christians now made a commitment to Jesus between the ages of 4-14. Evidently, children's ministry is absolutely mission-critical for the future of the church. So how do we develop a thriving children's ministry in our local churches? In this session, we explore the four hallmarks of a thriving children's ministry and consider what that means for our local churches.

### Emma Bacon

Emma works as a full-time children's worker at Elim Coventry and is also the founder of Belong. Emma has a level 3 diploma in childcare

the call of God on their life.

3.15-4.15pm

Have you sensed God may be calling you to Christian ministry? Have you considered joining with Elim in our mission to reach our nation for Christ and build His Church? This seminar will give you an opportunity to hear more about what ministry in Elim looks like and how you could explore the possibilities. Hear the stories of two young people who have stepped out and responded to God's call to give their lives in serving Jesus today.
