

# LITTER PICKING

## Overview:

This team is the heartbeat of keeping the centre of site looking brilliant. Across the week, you'll help ensure our venues, walkways and gathering spaces stay welcoming, clean and safe for every delegate. It's not glamorous work, but it genuinely transforms the experience of thousands of people — and the team camaraderie is always strong, supportive and good fun.

## Responsibilities and requirements:

- As one of a small team, you'll be responsible for collecting waste from the central venues and transporting it by golf buggy to the recycling skips, as well as litter-picking the main thoroughfare. Not everyone needs to drive, but at least one team member per shift will be a designated driver (age 21+, full UK licence). All PPE and litter-picking equipment is provided.
- Shifts will run across the day from 07:00 to 23:30, with the team split accordingly so everyone gets a fair rhythm of work and rest. Meals and a camping pitch are provided throughout your stay.
- You'll work closely with the Site Ops Team, who will support you and help keep everything flowing smoothly. A positive attitude, reliability, attention to detail and a willingness to muck in make a huge difference — they're what help the whole festival look and feel great.
- Willingness to help and work as part of a supportive team
- At least one driver per shift (21+ with full UK driving licence)
- Comfortable working outdoors in all conditions
