# Limitless Festival

---

We're so excited that you're considering joining us at **Limitless Festival 2026!**

---

Every year, exhibitors tell us how much they love the unique atmosphere of Limitless Festival, a place rooted in our values of Loving Community, Spirit-Filled Ministry, Teaching Biblically, and creating Gospel Opportunity. Limitless Festival is more than an event; it's **AWAKENING A GENERATION & CATALYSING TRANSFORMATION.**

Time and again, we hear stories of meaningful conversations, new connections being formed, and opportunities opening up to reach young people who are hungry for purpose and ready to live out their faith.

But what makes Limitless Festival truly special goes far beyond numbers. Again and again, people encounter stories, ministries, and movements that spark something deeper, calling them to step out, live boldly, and make a difference.

That's the heart of what we do.

This year, our theme is **BREAKOUT**. A call to step beyond comfort, beyond the walls, and into the world. It's about activating a generation in mission, justice, social action, and evangelism.

Our vision is to create a vibrant and engaging space where organisations, ministries, and businesses can connect with thousands of young people and leaders, showcasing the many ways you are helping this generation break out into all God has called them to.

*We would love to champion and amplify the incredible work you are doing by having you join us at Limitless Festival 2026.*

# Why join us?

## **Connect with a generation.**

Limitless Festival is a national event bringing together **over 6,000 young people and leaders** who are actively exploring faith, purpose, and calling. This is a unique opportunity to engage directly with a highly responsive audience already open to mission, justice, and evangelism.

## **Put your organisation in front of the right people.**

The Warehouse is our dedicated exhibitor space, designed to maximise visibility and interaction. It's where young people come to discover, engage, and take their next step, whether that's signing up, partnering, or getting involved with organisations just like yours.

## **Grow your reach and impact.**

From national organisations to grassroots movements, our exhibitors consistently see meaningful engagement, strong conversations, and real outcomes. If you're looking to expand your influence and connect with the next generation, this is the place to be.

## **Maximise every moment.**

New for this year, we've redesigned The Warehouse to increase footfall, improve flow, and create even more opportunities for meaningful connection. Alongside this, our experienced team is on hand throughout the festival to support you, helping you make the most of every interaction.
