2027

“

From the very first day, it was clear God was on the move. We've seen Him at work in the hearts and lives of our young people – healing, restoring, transforming and equipping. We are celebrating that 13 young people have made a first-time commitment to receive God's forgiveness and follow Jesus!”

ABOUT

Limitless Festival is a vibrant summer gathering for young people, packed with dynamic worship, powerful teaching, sports, activities, seminars, workshops, events, and late-night venues to keep the party going! More than just a festival, it's an environment intentionally designed to awaken young people to the reality of God—to open their eyes to his presence, their ears to his voice, and their hearts to his power. Every year, young people encounter Jesus, many for the very first time, and leave with lives transformed forever.
